U.S. SECURITIES AND
EXCHANGE COMMISSION

NOTICE OF COMMISSION MEETINGS

Following is a schedule of Commission meetings which will be conducted under provisions of the Government in the Sunshine Act. In general, the Commission expects to follow a schedule of holding closed meetings on Tuesdays, and open meetings on Thursday morning. Meetings on Wednesday, and if necessary on Thursday afternoons, will be either open or closed according to the requirements of agenda items under consideration.

Visitors are welcome at all open meetings, insofar as space is available.

Meetings will be held in the Commission Meeting Room, Room 1C30, at the Commission's headquarters building, 450 Fifth Street, NW, Washington, DC. Persons wishing to photograph or videotape Commission meetings must obtain permission in advance from the Secretary of the Commission. Persons wishing to tape record a Commission meeting should notify the Secretary's office 48 hours in advance of the meeting.

CLOSED MEETING - WEDNESDAY, NOVEMBER 20, 1985 - 10:00 a.m.

The subject matter of the November 20 closed meeting will be: Formal orders of investigation; Litigation matter; Institution of administrative proceedings of an enforcement nature; Institution of injunctive actions; Settlement of injunctive actions; Chapter 11 proceeding.

OPEN MEETING - THURSDAY, NOVEMBER 21, 1985 - 3:00 p.m.

The subject matter of the November 21 open meeting will be:

(1) Consideration of whether to issue a release for public comment proposed amendments to Securities Exchange Act Rule 17f-1 that, among other things, would: (a) broaden existing registration exemptions to include all reporting institutions that limit their securities activities to uncertificated securities, global certificate securities issues or any securities for which neither record nor beneficial owners can obtain negotiable securities certificates; (b) eliminate current exemptions from the reporting and inquiry requirements for registered government securities, security issues that are not assigned CUSIP numbers and bond coupons, and replace them with exemptions for uncertificated securities, global certificate securities issues and any securities for which neither record nor beneficial owners can obtain negotiable securities certificates; (c) reduce the de minimis exemption from the inquiry requirements to securities transactions that have an aggregate value of \$5,000 or less; (d) narrow the customer exemption from the inquiry provisions to circumstances where a reporting institution receives securities certificates from a person to whom it previously had sold those certificates; and (e) define "appropriate law enforcement agency," "uncertificated security," and "global certificate securities issue." FOR FURTHER INFORMATION, PLEASE CONTACT Joseph Pury at (202) 272-2416.

(2) Consideration of whether to repropose for public comment a revision of Rule 70 and amendments to Rule 50 under the Public Utility Holding Company Act of 1935. The revision of Rule 70 would simplify and expand the exemptions now available under the existing rule which permit persons affiliated with investment bankers and commercial banking institutions to serve as officers or directors of registered holding companies and their subsidiaries. The amendments to Rule 50 would codify revised competitive bidding procedures and address potential conflicts of interest. The Commission had redrafted the proposal to reflect certain comments received on the initial proposal. FOR FURTHER INFORMATION, PLEASE CONTACT Denis R. Molleur at (202) 272-2073 or Elizabeth K. Norsworthy at (202) 272-2048.

(3) Consideration of whether to issue notices of and orders for hearing on two applications filed by South Jersey Industries, Inc., an exempt holding company under the Public Utility Holding Company Act of 1935. The first application requests an order permitting South Jersey to acquire Chesapeake Utilities Corporation. The second application requests an order declaring that if South Jersey's proposed acquisition of Chesapeake is approved, and South Jersey obtains control of Chesapeake, it will remain entitled to its exempt status under the Act. FOR FURTHER INFORMATION, PLEASE CONTACT William C. Weeden at (202) 272-7683.

(4) Consideration of whether to adopt amendments to various rule and forms under the Securities Acts. These amendments would eliminate rules which are duplicative of generally accepted accounting principles or otherwise unnecessary, clarify language or conform rules to existing staff interpretations and correct technical omissions and errors. FOR FURTHER INFORMATION, PLEASE CONTACT John W. Albert at (202) 272-2130.

AT TIMES CHANGES IN COMMISSION PRIORITIES REQUIRE ALTERATIONS IN THE SCHEDULING OF MEETING ITEMS. FOR FURTHER INFORMATION AND TO ASCERTAIN WHAT, IF ANY, MATTERS HAVE BEEN ADDED, DELETED OR POSTPONED, PLEASE CONTACT: Ida Wurzinger at (202) 272-2014
